Living Memorials

A lasting tribute to your loved ones

Each year, more and more friends are finding Living Memorial Gifts to be a meaningful and lasting tribute to a friend or loved one who has passed away.

In an effort to provide state of the art equipment for the medical center and to share the gift of health with others, McDuffie Regional Medical Center Foundation offers opportunities for gifts with double significance. Each memorial gift conveys not only the love and respect for a bereaved family, but also desire to see the memory of a loved one live on through the vital work of McDuffie Regional Medical Center.

Through the thoughtfulness and concern expressed with a Living Memorial Gift, the foundation will provide funds to the medical center for the purchase of equipment or to sponsor community health services.

When your Living Memorial Gift is received, a card is promptly sent to the family of the person honored, telling them their loved one has been memorialized in this way.

To make a Living Memorial Gift in honor of a loved one, fill in the information on the gift form and mail with your gift to

McDuffie Regional Medical Center
Foundation
521 Hill St., SW
Thomson, GA 30824
